

HOW TO MAKE OUR SCHOOL GREENER

1. reusable bottles and free water fountain
2. plant "pet" in every classroom
3. school organizes passing on of books for free
(textbook library!)
4. reduction of waste paper
5. alternatives to food wrapped in plastic
6. raising awareness with regard to saving energy
(switching off electronic devices/lights)
7. school garden with open - air classroom
8. better waste separation
(also in the classrooms)
